# GRAND HOTEL BAGLIONI

# CONGRESS CENTER

The Conference Centre of the Grand Hotel Baglioni is made up of nine fully renovated, functional and elegant rooms.

Equipped with all the most up-to-date technical equipments, the rooms can easily be opened up between themselves to create versatile and articulated spaces; similarly, the front desk can be placed close to the entrance of the hotel for better visibility.

The whole Convention Centre is covered by free wi-fi connection.

The rooms have a total capacity of about 400 people, which can vary according to their layout.

## **Strong points:**

- Internal catering: panoramic restaurant with a breathtaking view
- Versatility: 9 interconnecting modular rooms
- Technology: high-tech equipment
